Further details in Attachment A.

The grantee will provide updates to GCBDD as the grant period progresses, in the form of written reports, due the 2nd Monday of July, and October of 2023, as well as January of 2024. Grantee further agrees to meet with GCBDD representatives upon request.

NPower Services Grant Request

2023 Proposal for Geauga Joggers & Walkers

Gaugua Joggers & Walkers (GJ&W) provides integrated walks and runs through local parks and neighborhoods for people with developmental disabilities and neurotypical folks. These scheduled outings are held in all weather conditions with the exception of thunderstorms, and run from April through October. Terrain difficulty is varied, with some outings providing challenging topography - and others providing easy trails suitable for people in wheelchairs or with limited mobility.

Frequency: We will meet between 1 - 4 times a month, with some months involving a race like a 5K or other structured run or walk.

NPower has been in contact with the Geauga Park District, to schedule a naturalist to accompany us on some of our walks and to describe the flowers, trees, birds, insects and other unique features of Geauga County's natural outdoor environment. To this end, we have already secured:

- June 29 at the Rookery with a naturalist
- August 17 at Walter C Best with a naturalist
- October 12 at Beartown with a naturalist

Additionally, we are looking to add a ziplining session at Claridon Woodlands as well as a kayak outing at Headwaters. These two sessions require special guidance, and must be approved by the park. Discussions are in the works.

The 2023 schedule is complete and all events will be published on the NPower Services' events calendar. They will also be shared via email and social media.

Attendance: NPower will share the number of people who attend each outing in our monthly board report. For comparison purposes, our least attended outings in 2022 occurred on extremely hot or chilly days, with only 4 people showing up (Big Creek Park and Observatory Park). Our most popular outings were the two Chagrin Falls walks (over 30 people came to our Halloween walk) and the Walter C Best walk in Chardon (21 people attended). We typically see 15-18 people per walk.

GRANT REQUEST

NPower is requesting funding for providing the following:

- Scheduling / coordinating with Parks and volunteers
- Creating promotional graphics
- Adding to events calendar
- Building social media posts and making events
- Sending emails
- Attending walks and ensuring adequate coverage
- Purchasing bottled water and snacks

TOTAL: \$5,000

Grant Agreement

This grant agreement is initiated on this 19th of April 2023, between the **Geauga County Board of Developmental Disabilities** (GCBDD) of 8200 Cedar Rd., Chesterland, OH 44026 and **The Metzenbaum Foundation** (grantee) of 8200 Cedar Rd., Chesterland, OH 44026, a not-for-profit corporation duly organized under the laws of the State of Ohio pursuant to Chapter 1702 of the Ohio Revised Code.

The GCBDD has approved a project-specific grant not to exceed \$210,000. The award will be made in a single payment upon the execution of this agreement.

The purpose of this award is to fund the creation of a Provider Loan Program, which will be administered by grantee. This program's purpose is to offer emergency financial assistance to eligible provider agencies in Geauga County in the form of zero interest loans for operating expenses. Repayment terms will be determined on a case-by-case basis by GCBDD following a review of the provider agency's financials and particular circumstances.

The Provider Loan Program seeks to prevent negative outcomes for the clients we support by offering emergency financial assistance for eligible provider agencies. GCBDD recognizes the workforce crisis caused by a lack of direct support professionals and the subsequent negative impact on the clients we support. GCBDD also recognizes the financial implications of the workforce crisis, which frequently results in greater use of overtime for provider agencies. Overtime is not accounted for in the Medicaid HCBS rate structure, which can result in financial hardship for the provider agency.

The grantee will maintain records of all expenditures associated with this award. The grantee will furnish a complete record to GCBDD each quarter. The grantee agrees to have meetings with GCBDD representatives upon request.

This Agreement is between Ohio Guidestone (Provider), and the Geauga County Board of Developmental Disabilities (Board).

1.) TERM

This Agreement shall be effective June 1, 2023 through December 31, 2023. This agreement shall automatically renew for successive one (1) year periods on its anniversary date unless terminated as permitted in paragraph 10.

2.) COMPENSATION

Compensation under this Agreement is limited to services provided to individuals not enrolled on a Medicaid waiver program administered by the Ohio Department of Developmental Disabilities otherwise known as Locally Funded Services.

With prior approval by the Board, compensation under this Agreement is also available to individuals enrolled on a Medicaid waiver for services not available (reimbursable) under the waiver program.

The Board shall compensate the Provider for services authorized in an individual's service plan. The unit rates on the PAS will match the state Medicaid rates where applicable.

The Provider shall invoice the Board monthly for services rendered under a PAS, unless services are provided infrequently or on a one-time basis. The Board shall not be obligated to pay the provider for services covered by any invoice submitted more than one hundred eighty (180) days after the date of service, or more than ninety (90) days after this Agreement terminates, whichever is earlier. The invoice shall be in a format as determined by the Board. Payments shall not exceed \$ 50,000.00 for the initial term of this agreement.
