## Geauga County Board of Developmental Disabilities' Keith Rex is part of the Team at Giant Eagle

### BACKGROUND

The mission of the Geauga County Board of Developmental Disabilities is to help local individuals with developmental disabilities live, learn and earn in the community. One client, Keith Rex, has worked at Giant Eagle in Chardon for many years.

### KEITH'S STORY

Keith has worked at Giant Eagle long before his manager, Maureen Pritchard, started in July. She said that without him, work wouldn't feel the same.

"Keith is just a great guy" Pritchard said. "He's very dependable, always pleasant to talk to, and it's always fun to listen to his stories of what he's been up to. He's a big part of our team here."

Keith works primarily in the parking lot, organizing and retrieving carts and helping people load groceries into their cars. He also assists with Giant Eagle's Curbside Express grocery service, loading cars with pickup orders.

Keith has worked at Giant Eagle since 1991, and Pritchard said his absence will be felt when he chooses to leave.

"I really enjoy working with Keith," Pritchard said. "He helps with whatever we need in our daily tasks and works well with everyone. We will all miss him when he decides to retire."
